

Who is a Mother

*A mother is someone
To hold very dear,
She is someone who loves you
When life's a little drear,
She's someone who will
Lend you an ear,
She fills your life
With so much cheer.*

Who is a Mother

*A mother is someone
To hold very dear,
She is someone who loves you
When life's a little drear,
She's someone who will
Lend you an ear,
She fills your life
With so much cheer.*
