

CELEBRATION OF THE LIFE OF

*In Memory of Joey*

Joey, you left us far too soon—  
a shining light now gone from the room.  
Steady and true, honest and kind,  
a father, a brother, an uncle—one of a kind.  
You never judged, you always cared,  
whenever we called, you were right there.  
A gentle soul with a giving heart,  
a man so rare, it sets you apart.  
Your daughter carries your love each day,  
your family holds you close in every way.  
Sisters and brothers feel the pain,  
grandchildren dream of you again.  
Cousins, nieces, nephews too,  
all touched deeply by the life of you.  
Though sorrow runs deep and silence wide,  
your spirit still walks right by our side.  
Now with Dad, in peace above,  
together wrapped in endless love.  
Two guiding lights, shining strong,  
reminding us to keep moving on.  
Not to mourn forever, but live as you'd say—  
to laugh, to love, and brighten each day.  
Until we meet in God's great land,  
we'll hold your memory in our hands.  
Loved beyond words, missed beyond measure,  
your life remains a timeless treasure.  
So rest easy Joey—forever our guide,  
our brother, our heart, forever by our side.  
As my brother would say...  
"Keep on trucking."
