

I farmed the land,

I tramped the wood,
These are the things I understood.

No grand schemes, they passed me by.
I knew the brook, the hills, the sky.

To hunt a bird, to wet a line,
Gifts from God, so good and fine.

Friend and kin, I LOVED THEM SO;
Although I'm gone, I'm sure they know,

I'm now at peace, life's battle done,
I've faced the foe and *I have won.*
