PRECIOUS Memories

Tributes TO Hannah

Our Eternal Sunshine in the quiet hush where memories softly bloom,
We see your smile chase away the room's gloom.
Though your laughter no longer fills our home,
In our hearts, precious girl, you still roam.
From the strength of our roots, a tender, bright flower,
You grew and you blossomed in every hour.
Your spirit was bold, a light so strong and free,
A beautiful chapter in our family tree.
We thought we had years of braiding your hair,
Of sharing our wisdom, free from all care.
But time, with a swift and a cruel, sudden hand,
Took our own guiding star to a far better land.

No grave can contain the love we still bear,
It's in every story, every whispered prayer.
A legacy woven in every life you touched,
Our granddaughter, our joy, loved oh so much.
You are the soft stars that shine in the night,
The warmth in our hearts, our beacon of light.

Our Eternal Sunshine

Tribute To Our Granddaughter

Looking back on the life of a beautiful little girl—one who smiled only when she chose to, yet taught us all how to persevere even through pain—we are filled with gratitude. Hannah, you brought us immeasurable joy, and our hearts overflow because of you. Though you were taken from us too soon, we know you fulfilled your purpose. You ran your race with grace, leading with strength and determination, as if you were the CEO of your own little company. God entrusted you to us for six precious years, and for that we say, thank you, Jesus.

We will never forget how you would look upward, as though you had discovered a great treasure. That was your secret gift to us—showing that even in youth, you could teach perseverance beyond what grown-ups often understand. Now, Hannah, you will forever be our angel baby. No more pain, only peace. You will always live in our hearts, and we thank you for the love you gave us.

With All Our Love

Tribute To Our Daughter

The way the leaves turned green, gold, and brown,
fingerprints of you filter through memories and
notions left on the ground,
the you i see,
was meant to be,

But he had another plan for you,
I can see your pretty brown curls and lashes that's swirl,
against a strong body fit for the toil,
the you I see was meant to be,
but he had another plan for you,
Your mind was big and strong,
your thoughts, fast and long,
the you I see was meant to be,
but he had another plan for you,
there were days, sweetheart,

that I couldn't tell the end from the start,
And when I knew, because you knew that I knew,
the depth of my hurt could have torn me apart,
the you I see was meant to be,

but he had another plan for you,
and when silence met your eyes and words never spoken,
relinquished their rise, Finally,

Finally, I saw the end to the despise, I realized,
the you I see was meant to be,

but he had another plan for you,
he wrapped you in his renowned love
and saw to it that your rest sat above
all of the hurt and suffering that
mama could not protect you from,
a glorified body, yes indeed,
the you I see was meant to be,
but he had another plan for you,
rest sweet baby

**Love you forever,
Mom and Dad**
