When trouble comes your soul to try,  
You love the friend who just stands by  
Perhaps there's nothing he can do -  
The thing is strictly, up to you. For  
There are troubles all your own, and paths  
The soul must tread alone. Times when  
Love cannot smooth the road, nor friendship  
Lift the heavy load. But just to know  
You have a friend who will stand by until  
The end, whose sympathy through all endures,  
Whose warm handclasp is always yours-  
It helps some way to pull you through, although  
There is nothing he can do. And so with fervent  
Heart you cry, "God bless the friend who just stands by"

By Williams
