

*In Loving*

*Memory . . . .*

Rose Ann Villagran

She was a light that burned too brightly, a beacon of love, warmth, & strength for all who knew her. Though her time here was far too brief, her impact was immeasurable. She gave the world four beautiful souls Adriana, Eddie, Mikey, & Alma each of them carrying a piece of her spirit, her laughter, her kindness & strength.

She was more than a mother—she was a guiding hand, a safe harbor, a fierce protector. Her love stretched far beyond the boundaries of her life, reaching into the hearts of her grandchildren, who now carry her legacy in their laughter and their smiles.

Her passing leaves a huge void, a silence where her laughter once rang, but her presence will never fade. She lives on in the gentle breeze that brushes your cheek, in the glow of a sunset, in every cherished memory shared between all those who loved her. Though the pain of her absence is deep, let us honor her by holding tight to one another as a family; by living with the love and strength she taught us. Her life, though short, was a testament to the power of love, resilience, and the beauty of a heart that gave endlessly. May her soul find peace, and may we find comfort in knowing that she is never truly gone—she is with us, always, in the love we share and the lives she shaped. Rest forever in our hearts and in eternal peace.

You will be truly missed, we love you!
