

SLOW ME DOWN, LORD
Slow me down, Lord.
Ease the pounding of my heart
by the quieting of my mind.

*Steady my hurried pace with a vision
of the eternal reach of time.*

*Give me, amid the confusion of the day,
the calmness of the everlasting hills.*

*Break the tensions of my nerves and muscles
with the soothing music of the singing
streams that live in my memory.*

*Help me to know the magical, restoring power of sleep.
Teach me the art of taking minute vacations
of slowing down to look at a flower,
to chat with a friend, to pat a dog,
to read a few lines from a good book.*

*Slow me down, Lord,
and inspire me to send my roots deep into the soil of life's
enduring values that I may grow toward
the stars of my greater destiny.*
