RESTING IN PEACE

MAKING HIS FINAL JOURNEY

THE JOURNEY STARTED. I am sorry that I have to leave you but Wakan Tanka wants me in the Spirit World. He has called my name. I am excited about my journey to join my deceased family members and our Creator. My pain is now gone and I will enjoy the rest. I believe my life had a purpose because I tried to serve my people and to provide for my family and friends. My dreams were achieved so the end was very positive. I want you to remain strong and to follow the Lakota values of respect, wisdom, courage and generosity. I want you to continue to chase your dreams and to enjoy each day. I will miss you and I will remember the good times we shared. I hope your grief and tears will be brief because I will always be near you. Remember me as you complete your journey because my spirit and love is always with you. Phila maya ye.
