Acknowledgements

The family of Linda M. Moss extend our deepest gratitude to the "village" that provided unwavering support during her time of need. We especially appreciate Beatrice, Everlena, Markita, Ms. Brown, LaTasha and Toni for their kindness in taking her to doctor appointments, trips to the store, bringing her food (that she didn't always need). We are also incredibly grateful for the many expressions of love, prayers, support cards, monetary gifts, phone calls, text messages, and all the kindness and concern shown during our time of bereavement.

Reflections of Life

Linda was born on April 18, 1955, in St. Louis, Missouri, the second of six children. She cherished her family deeply, making an effort to truly know and love each member. She was preceded in death by her mother, Ella Mae Moss; her siblings, David and Rosalyn; and her granddaughter, Christa Sa'Riyah Medcalf (Pooh Girl).

Linda received her formal education in the St. Louis Public School System. Linda matured as a young woman developing a character of independence, strength and love. She accepted God as her Savior at a young age and attended Bethesda Temple of the Apostolic Faith Church.

Throughout her career in the food industry, Linda held positions at Webster University, Schnucks, and the Marriott Hotel. She dedicated 15 years of service to SSM Depaul Hospital before retiring.

Linda was known for always wanting to feed her family, friends and the Pagedale neighborhood. She always hosted family gatherings and provided inspiration/motivation to family and friends through her words.

A loving daughter, Linda was blessed to care for her mother for over 10 years. Linda was a devoted daughter, mother and grandmother ALWAYS giving her kids and grandkids unconditional LOVE! She was a loving person, who never met a stranger she wasn't willing to lend a helping hand to, just like her Mother!

Among her favorite sayings were "Another Quallo and you'll love me again," "Don't let the health fool ya," and "what-ever," a phrase she affectionately "stole" from her mother.

On June 13th at Saint Louis University Hospital with her family by her side, God whispered into Linda's ear "**Job Well Done, you can rest now my child**" and our Heavenly Father called her home.

Linda leaves behind a legacy of love and to cherish her sweet memories two daughters - Shalonda T. Campbell, Crystal Medcalf (Greg); one son - Christopher OZ Medcalf (Keisha); 6 grandchildren - Rodney D. Marable, Diamon A. Campbell (Bobbie), Darrius B Campbell, Chris Medcalf, Heaven N. Buchanan, Christopher OZ Medcalf Jr.; six bonus grandchildren - Damon, Michael, Branden, Makala, Ja'na, Aliyah; three great grandsons Mekhi, Sy'Aire and Baby Medcalf who is coming August 2025; two sisters - Tanya Massey (Dennis) and Jeanine Lee (Daniel); one brother, Danny Moss; a host of nieces, nephews, cousins and friends, including a special daughter ~ Everlena Mack and a best friend of 45+ years - Agustine King.

For I'm Free

*Don't grieve for me, for now I am free.
I stepped out of this life into Eternity.
God heard my groans and called me home
Now I won't be so all alone.
I lived my life, I went through my tests
Now my soul can be at rest.
I took my journey, don't be in despair
You see, I know that God truly does care.
God said, I am with you until the end
You see my child, I really am your Friend.
To my children, the time I spent with you was all too brief
But don't lengthen it now with undue grief.
Lift up your hearts and be joyful with me
GOD has me now, I've been set free!
-Author Unknown*

*Life isn't easy but being graceful is and you always carried yourself in that manner. You taught us grace and mercy. We'll miss you forever, your voice especially. We LOVE you!
-Darrius and Chris*

Thank you for showing me what family truly is, what love truly is, what a true grandmother is and making sure I always know who GOD is! You've protected me for 25 years and because I know GOD is good (all the time), I know that you'll continue to protect me and cover me and with that I find some sort of peace. I love you Forever and Always - Baby D

I want to thank my grandmother for always loving me and encouraging me to be myself. She was my first superhero and words could not describe the love I will forever have for her. I love you eternally, Granny! -Rodney

I LOVE U Momma! Your Only Begotten Son -Chris

Momma, you have lived with me for 13 Amazing years and you have been SO Much of my life for SO Long that I don't know what my life looks like moving forward. But I DO know that GOD will give me the strength to carry on your legacy and I will continue to make you Proud! -Shalonda (Stink)
