

Ben & Trudy

God saw you getting tired,
And a cure was not to be;
So he put his arms around you,
And whispered "Come to me."
With tearful eyes we watched you,
And saw you fade away;
Although we loved you dearly,
We could not make you stay.
A golden heart stopped beating,
Hard working hands to rest.
God broke our hearts to prove to us,
He only takes the best.

Bennie Dean Green, age 86 (eighty-six), was born on November 2nd 1938 in Driggs, ID, to Ernest Delbert Green and Vada Buxton Green. He was the 5th of six children born to this union.

He was a happy child, raised on the family farm located in Alta, WY. In the summers, they stayed at the family owned sawmill up Teton Canyon. He attended school at Alta Elementary and Teton High School. He joined the Air Force in 1956 and became the crew chief of two F-100's, spending 3 of his 4 military years in Germany.

After returning from his military service, he met his dearest, Trudy Vollman. They courted and were married in the Idaho Falls Temple on July 18th 1962. They had 5 children and were happy in their home in Darby. Fun times were spent camping and boating with his wife and children at Palisades Lake. He owned and operated Ben Green Excavation Company for over 40 years before his retirement. He worked hard for his family and his love for them is forever embedded in their hearts.

Ben enjoyed snowmobiling and riding in his Razor, but most of all, he loved to fly his plane and work on engines. He spent many hours in the sky, traveling and giving family and friends rides around the Tetons. For years he towed the glider for the scenic flights at the Driggs Airport. His children and grandchildren will also cherish the memories of going for a ride in one of his old cars.

He was an honest, hard-working man with a great love and compassion for everyone, and he spent countless hours doing service for others. He was an active member of the Church of Jesus Christ of Latter-Day Saints. He loved his family and the time he got to spend doing activities with them.

Ben was diagnosed with Acute Myeloid Leukemia in July of 2022 and survived until July 22nd of 2025. We have been blessed to have had the opportunity to spend these last 3 years loving and enjoying him.

He is survived by his daughters Lori (Steve) Harper, Audrey (Leon, deceased) Holmes, sons Scot (Dani) Green, Matthew (Alecia) Green, Todd (Amanda) Green, and brother Kenyon Green, 15 grandchildren and 16 great-grandchildren. He will be missed, but we are grateful to have the knowledge that:

WE ARE A FOREVER FAMILY.
