## *Gregory Allen*

Gregory Russell Allen, 60, of McPherson, KS, peacefully passed away on Saturday, August 16, 2025, surrounded by family at Hutchinson Regional Medical Center.

He was born May 5, 1965, in Dallas, TX, the son of Oscar William "Bill" and Connie Sue (Horyna) Allen. Greg attended the Kansas School for the Deaf in Olathe, KS, where he enjoyed playing on the football team. On April 10, 2010, Greg was united in marriage to Audrey Lynn Simmons in McPherson.

Greg worked at Walmart for 23 years, mostly in the shipping & receiving and maintenance department.

Greg was a happy and jolly guy. He loved to laugh, tease, and joke with everyone. He has been a BIG "Dallas Cowboys" fan since he was a little boy. In fact, he named his dog Dallas, which of whom will be buried with him.

Everyone knows that Greg loved to cook and eat. His favorite food was seafood. Greg loved his family dearly. Every time he would leave the house or his family would leave his, he always gave the "I Love You" sign. When Greg was younger, his favorite hobby was fishing.

As Greg got older and had many health problems, his favorite thing to do was relax in his "Lazy Chair", as he called it.

His family will miss his stubborn, happy, and silly self so much.

Survivors include his loving wife, Audrey Allen of the home; mother, Connie Allen of McPherson, KS; sister, Sonya Moon of McPherson, KS; brother, Eric Allen of McPherson, KS; a niece and nephew, Savannah Moon and Avery Moon; three step-children; five step-grandchildren; and many additional nieces, nephews, cousins, aunts, an uncle, and friends.

He was preceded in death by his father, Bill Allen, and brother-in-law, Billy Joe Moon.
