

In Loving Memory

Please do not grieve for me too long
For now I am happy and full of song.
Remember, I am free of all my pain
And greeted my loved ones once again.

I know I am leaving some loved ones behind
With sadness and tears and feelings of loss.
But just remember I will be waiting
When the time comes for you to cross.

Shed your tears and feel your grief,
But then move on and gather strength
From your belief.

Know I'm at peace and full of life,
Free from pain and all of life's strife.

Please be happy and make me proud,
So when we meet again,
We can shout out loud
That we endured and followed His way,
To be with our Lord one beautiful day.

May the Lord bless all of us with peace and comfort.
In the name of Jesus Christ, Amen.
