Oh Charlie, how this world needed you. Go rest high upon that mountain...

I have no doubt God is already raising up an army to pick up the torch and wear the mantle you wore to reach this world. I find myself grieving you as a beloved family member . And that you are, a most wonderful, faithful brother in Christ. My beloved husband got to Heaven just before you and he loved you. Now you both have touched the face of God! Greet each other with a Holy kiss as you

Sep 23, 2025

I never knew this man personally but the pain I feel from his passing feels like I just lost a brother all

over again. Charlie is such a beautiful person. Amazing husband, father, son, all of it. We all know he is so happily at peace with our Lord and Savior! Looking down at us all smiling from ear to ear seeing all the work he has done to make everyone open there eyes! He did so well, it's not over. He might be gone physically but he is and will forever be here within all of it! I love you Charlie! I love you Erika! I know you will continue his amazing legacy for him and we will all help you!!!

Sep 24, 2025

I never had the privilege of meeting you, but have enjoyed watching you and the courage you showed to speak the truth about God, family, and country during your time of leadership at "Turning Point USA". The way you handled debating your opponents with respect, even when they didn't return that respect, you certainly modeled Christ. You not only "talked the talk, about your faith, but walked the walk" as well showing you weren't just a follower of Christ; you were truly one of His disciples. You finished your race well, Charlie, and I believe your message is going to get even stronger and your light will shine even brighter! Praying for God's peace and comfort for Erika and your children and loved ones you have temporarily left behind.

Rest in peace, Charlie. May God continue to bless your family.

My heart breaks for you Erika and I am so deeply sorry for the tremendous loss you now carry for the rest of your life. I'm glad you've found a little peace in the midst of such a devastating time 🙏. I, too, received a sign after my mother passed — perhaps a few months later — and it was the most comforting gift. To have that confirmation that our loved one is not only okay, but better than okay. Out of our arms and into the arms of our Lord, whom they waited their whole life to meet. One would think that would be enough for us to feel only joy for them, and yes, it helps tremendously — but the sadness of our loss keeps creeping in and never truly goes away.

My heart is broken and uplifted by Charlie's death. Broken because this world has lost a bright light that

pointed others straight to Christ. He was salt & light. He changed the environment he came in contact with. While my heart breaks for our loss, and certainly his family's loss, it is at the same time so uplifted. To see the effect his death has had on our world has my soul rejoicing! And for Charlie, my heart rejoices to know he is with Jesus. May God bless Charlie's wife & children, Charlie's parents & sister, the entire Turning Point family & lastly, may God bless the U.S.A.

Crying while praying for all of you, as well as our great nation which Charlie valued and loved so much, as so many of us do. Charlie was clearly "Chosen," not just called!!! He takes them and uses them to bring about His Glory in our lives and in the world. They have awakened the sleeping giant, The Church, and ignited the flame of Our Living God in an even more Dynamic and Supernatural way!!! May The Glory of The Risen Lord Shine Upon You giving you His Amazing Grace, Strength, Power, Protection, Healing, and Deliverance through The Cross!!! It Is Finished!!! Glory To His Holy Name!!! We love and miss you, Charlie, The People's Friend Everywhere!!! Rest in Peace knowing you fulfilled The Call of God in your short but profound life in Jesus' Precious and Holy Name!!! Though nobody knows when that will happen, we all need Jesus to help us repent & heal us. I can only hope this can really be a "Turning Point" for many of us with this incident. A tribute to Charlie Kirk and men like him  
Dr. Martin Luther King, from the book of  
Isaiah 57 Isa 57:1-6

The righteous perishes, And no man takes  
it to heart; Merciful men are taken away,  
While no one considers That the righteous  
is taken away from evil.

2 He shall enter into peace; They shall rest  
in their beds, Each one walking in his  
uprightness.

3 "But come here, You sons of the  
sorceress, You offspring of the adulterer  
and the harlot!

4 Whom do you ridicule? Against whom do  
you make a wide mouth And stick out the  
tongue? Are you not children of  
transgression, Offspring of falsehood,

5 Inflaming yourselves with gods under  
every green tree, Slaying the children in the  
valleys, Under the clefts of the rocks?

6 Among the smooth stones of the stream  
Is your portion; They, they, are your lot!  
Even to them you have poured a drink  
offering, You have offered a grain offering.  
Should I receive comfort in these?

may we all take heed to follow you  
example

You have brought so many people to Christ. May you rest in peace knowing your impact is bigger than you could have ever

Thank you Charlie for standing for Jesus. You paid the ultimate price for serving Christ.

2 Timothy 3:12

Yea, and all that live godly in Christ Jesus shall suffer persecution.

A life lived by faith brings the ire of Satan. It has always been that way, but we trust that by God's grace you have overcome the enemy.

Revelation 12:11

And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

You also have this in common with Abel -

Hebrews 11:4

By faith Abel offered unto God a more excellent sacrifice than Cain, by which he obtained witness that he was righteous, God testifying of his gifts: and by it he being dead yet speaketh.

Though our Lord Jesus has called you home, you continue and will continue to speak to multitudes. May the Lord give you souls for your labor.

Thank you again, Charlie. We will continue praying for your family and for all of your friends.

A true example for the younger generation of a life well lived. I hope that we all acknowledge the importance of a solid faith in Jesus Christ and are willing to defend moral values in public again. It's not only about us. It's about our children and future generations. May God reward Charlie abundantly for everything he has done.

May our Lord comfort Erika and give her strength.

"Those who plant in tears will harvest with shouts of joy."

May God give TPUSA guidance and wisdom how to expand and bring God's word and godly values to a starving generation. May the Lord give you grace to envision a plan for a worldwide movement as young people around the world desperately need God's healing word and a plan how to live a significant life.

JESUS IS OUR FRIEND

Charlie understood America was in a spiritual war. And he understood faith right down to the core. He stayed strong right to the end, And he taught us that Jesus is our friend. Or - And he will always be our hero and friend.

John 4:35, "Say not ye, 'There are yet four months and then cometh the harvest'? Behold, I say unto you, lift up your eyes and look on the fields, for they are white already to harvest.

TURNING POINT

His body was taken by an assassin's bullet, but his memory will remain, For his love for Christ will be like a ripe field of golden grain. The harvest it yields will echo through the ages of time, For Christ's love cannot be stopped by the evil of this crime.

Like Paul Revere's ride taken in the darkness of night, This precious man's faith pointed others to the Light, And our prayer is God's voice will echo from heaven to earth, "Well done thou good and faithful servant," as he is given rebirth.

Another version: 2nd stanza:

Like Paul Revere's ride that echoed across the land, This precious man of God helped us understand, That family and friends are priceless gifts from God above, So when we see a sparkling star, may it remind of his love.

feel free to edit as needed. We hope the sparkling stars idea comforts your small daughter and son. Many are praying for your extended family around the clock.

I am so sorry for your loss. My thoughts and prayers ate with you and your

children during this difficult time. I only came across Charlie recently. His faith, truth, coutage, determination, and facts pulled me out of a dark place in my life. Being stuck in a country with no identity (Canada), seeing Charlie speak gave me hope, hope that I had lost years ago. When I saw the horrific news I was absolutely mortified. Erika, I am truly sorry for your and your children's loss. I only learned of Charlie a couple of years

ago and started watching his videos. I have recently decided to go back to the Church and am working on becoming a better Christian. I have, since college, had right leaning views and unfortunately as an educator in a blue state, I keep mostly silent only voicing to those who I know share the same views. However, recently I attended a vigil for Charlie in a very "blue" town near a campus that Charlie had been at a few times. I got up, told the crowd that I was an educator and let them know that I had been a sounding board for students who needed to vent and share in the past week, since it seemed that our student support services was not going to make mention of it. I of course, the day after Utah, was dressed in all black, with red earrings and a cross necklace, so needless to say, the silent statement resonated with the students that needed it, they got me and knew that they could talk to me. I am extremely saddened by Charlie's loss and will be eternally grateful for his work, especially for turning people's thought processes and at the very least, to be able to have conversations and agree to disagree. God Bless!

No matter my life's outcome, my Lord is still my king  
From mountain top to valley low, His Praises I will sing.

The number thirty-one will stand out in your mind  
The number thirty-Three should tell you I am fine.

See thirty-one are the years that Jesus gave to me  
Thirty-three was his time and now he's set me free.

I tightly hugged my wife and kissed my boy and girl  
Because it might be just the day I leave this sinful world.

Once again the enemy strikes with brutal hateful force  
My life belonged to Jesus and this was just my course.

I know you're angry, and even sad that is fine  
God's plans are always perfect and never on our time.

Grieve not so much for me, our nation needs your prayer  
Get ready for the battle field that's coming from the air.

Farewell to all my family and all my loving friends  
Remember this is not goodbye my life shall never end!

This world is not our home, we're only passing through  
When God says it's your time, I'll be waiting here for you!

Charlie Kirk, you were a true inspiration to so many of us especially young

Sep 17, 2025

I never knew much about this wonderful man until an evil man ended his life. Now, that I have learned what he stood for, I realized how important his message was. He spoke of freedom and morality, and living a Godly life. His message was being heard and people were turning back to God. I hear about the evil in the world. I know it is real. But God's will and his love is stronger than Satan's. His message will be repeated a thousand fold. I heard your message to America, Erica. It was profound, and I have no idea how you got through delivering it. I am praying for you and your children. You will remain in my daily prayers.

Thank you for being courageous and sharing your message and love with us. You made a difference. I hope you can see what's happening in the world because of your sacrifice. You are why I've returned God. So many others have too. Your message will never die. Well done, sir.

Our prayers are with all of you now. 🙏

Erica, you had the best husband ever and your

sweet babies had the best Dada. We cannot imagine what all of you are going through. We feel like we knew Charlie personally and our hurt is tremendous ❤️ so again we just can't imagine. All I can keep thinking is that God needed another angel. Charlie will forever live on in our

Rest in Peace Charlie. You are a true Patriot

I am truly sorry for your loss. I never had the opportunity to meet Charlie, but only listened to his pod cast. To say I was heart broken to learn he had been killed for what he stood for is an understatement. I never knew one could be so broken hearted of one's passing of another human being they never met until that day. I sat and wept like a baby and have had moments since that day. There is no doubt in my mind that when you took your last breath on earth, you took your first breath in the arms of Jesus. You truly were an inspiration to all and I have no doubt that your memory will live on and your legacy will only grow and strengthen. Thank you for staying true to your beliefs, morals and values.

I wanted to remind you about the miracle of the loaves and fishes that Jesus performed. Your husband had a strong message. He would travel and give his message to one crowd at a time. That message will now be multiplied so many more times. I am so sorry that some people think they can kill a person with a loving message and stop it. That has never been the case. I never really heard about Turning Point. Now, I am greatly interested in it. It's a shame that it takes a tragic loss for some people to seek God. Please stay strong, and remember that I have you in my prayers

Charlie you were an amazing young man. You were so knowledgeable of the Bible and spoke so eloquently about it. You always shared with people what they brought to you and their self reflection allowed them to see inside. Your legacy will continue to bring people to Jesus and for that I am forever thankful. Thank you for your time and effort to educate the American voters and future voters. Your life has meaning and hopefully can be a catalyst to open discussion between people that may agree or disagree on all topics. Higher intelligence doesn't require a college degree but rather listening to others and formulating your own thoughts and having an open discussion. You never spread hate, but rather free thinking. You will be missed but you will live on through open dialogue.

Charlie Kirk will be greatly missed by millions. The great emptiness his beautiful wife and precious children are going through is unimaginable and we lift you up in our prayers. I always prayed for a great moving of the Holy Spirit for a great revival that many people will be saved out of Satan's hands. I think we are seeing that today though the love of many for the loss of Charlie Kirk. God's true and faithful servant. We pray that we could be half the person that Charlie Kirk was. That we too may stand firm, and bold in our faith and love of Jesus Christ our Lord and Savior. We rejoice in knowing that we will be reunited one day in heaven, forever to be with the Lord, Amen.
