**Pastor Karl Jackson - Officiating**

God looked around his garden  
and found an empty place,  
He then looked down upon the earth,  
and saw your tired face.

He put his arms around you  
and lifted you to rest,  
God's garden must be beautiful,  
He always takes the best.

He saw the road was getting rough  
and the hills were hard to climb,  
so he closed your weary eyelids  
and whispered "Peace be thine".

It broke our hearts to lose you  
but you didn't go alone,  
for part of us went with you,  
the day God called you home.

You left us behind memories,  
your love is still our guide,  
and although we cannot see you,  
you are always at our side.

His memory is now our keepsake,  
which with it will never part,  
God has him in his keeping,  
we have him in our Hearts.

# When I Must Leave You

When I must leave you for a little while, please do not grieve and shed wild tears, and hug your sorrows through the years, but start out bravely with a gallant smile.

And for my sake and in His name, live on and do all things the same. Feed not your loneliness on empty days, but fill each waking hour in useful ways.

Reach out your hand in comfort and in cheer, and I, in turn, will comfort you and hold you near and never, never be afraid to die, for I am waiting for you in the sky.

**Love, Simion**
