Letters of Love

To Mommy;

Mommy you were our guardian angel since the day we were born. We just pray that you will walk beside us every day and night. Please keep us close to your heart. We have been through it all good and bad times. We never knew you we're hurting but we know you are now at peace forever safe at home in heaven at last. We are happy that your free and at peace from all pain. We Love you unconditional and you will always be in our hearts. We know the pain and tear that we cry will never go away until the day we meet again. But we will continue to make you proud of us.

Love always your Daughters

"The Touch of a Butterfly"

Please don't cry, don't be sad hold on to the memories of the times you had. Don't dwell on dark thoughts, hold on tight to your memories and wishes... sending to you all the butterfly kisses. As I walk beside you, I am there all day long, I am here when you think I'm gone. You can't see me but I can see you. I am the air and wind that cools you. Never forget the kisses that you felt on your nose. I sit beside you when you are sad as you look at photo of the times we had. I will watch over you from above. Listening to your cry's but cry no more. You still have my love hold on to your dreams and wishes you will always have my butterfly kisses....

Precious Memories

God saw you getting weary,
So, he did what He thought best,
He came and stood beside you,
And Whispered," Come and Rest."
You left without a last farewell,
Not even a goodbye
You were gone before we knew it,
And only God knows why.
A precious one from us has gone,
A voice we love is still
A place is vacant in our hearts
That never can be filled
You are safe in the arms of Jesus
Safe on His gentle breast.
There by love over shaded
Sweetly your soul shall rest.
