In Loving Memory of

Daniel James Colomb

January 14, 1973—May 7, 2024

Daniel James Colomb often known as “Danny” to those who knew him, passed away suddenly sometime in April of 2024 and was found in The Pas, Manitoba on Tuesday, May 7, 2024. Danny was born Sunday, January 14, 1973, and was brought up in Pukatawagan, Manitoba. He spent a lot of time with his grandparents Flora and Emile on the trap line in Limestone Point Lake and in Sherridon, Manitoba. He was brought up on how to live off the land and in this he learned the importance of hard work and offering a helping hand. As a teenager he was in between Cormorant and The Pas, Manitoba where he lived with his mom Mary Jane and dad Jimmy.

Over the years he enjoyed playing cards, playing hockey, and pranking his friends and family. He always had a story to share, where it be true or not, that would have everyone laughing. Danny would put a lot of effort in entertaining those around him. I am certain many of you have your own stories and memories of Danny and I hope you cherish them and share with one another in celebration of his life.
