~ Tributes ~

**TO MY HUSBAND**  
*My dear husband, I cried when you passed away. When I got that early morning phone call saying you had slipped away. It left a hurt in my heart that I couldn't with at all that day. I know that God is one of no mistakes...May the winds of heaven blow softly and whisper in your ear...Gone but never forgotten, always in my heart, always on my mind. Your presence will be with me forever in so many ways.*
