The Life Story of *Brandon Patrick Hanson*

It is with heavy hearts that we announce the passing of Brandon Patrick Hanson on January 5th, 2025, at the age of 35. Brandon was born on August 8, 1989 to Melanie Ann Hanson and Jennifer Hanson. He leaves behind a lasting legacy of love, laughter, and unforgettable memories.

Brandon was a devoted husband to Tami Hanson and a proud father to his children Bentley and Major. He cherished every moment spent with his family, particularly enjoying the time he spent with his siblings. Chandra Hanson from Arizona, Billie Lynn Magee from Arizona, Miranda Lynn Hanson from Nevada and Brother Jerome Paden Hanson from Arizona. His love for his family was boundless, and he went above and beyond to be a constant presence in the lives of his children, niece, and nephews. Brandon's deep connection to them will always be remembered, and his influence on their lives will never fade.

A true lover of the outdoors, Brandon found peace and joy in nature. Whether it was fishing by the lake with his cousins, camping under the stars, or simply enjoying the serenity of being near water, Brandon's love for the outdoors was unmatched. His spirit was as free as the wind, and he was always happiest when he was outside, surrounded by those he loved. Riding his motorcycle was another passion that brought him joy and freedom, and it was something he cherished as a way to connect with the open road and clear his mind.

Brandon had a heart of gold. His kindness, generosity, and willingness to help anyone in need made him a friend to many and an irreplaceable family member. He always put others before himself, and his selflessness left a profound impact on everyone who knew him. His laughter, sense of adventure, and zest for life will be deeply missed.

Brandon's memory will live on through his wife, children, siblings, and all those who had the privilege of knowing him. He may no longer be with us in person, but his love, spirit, and passion for life will continue to guide and inspire us every day.

Rest in peace, Brandon. You will be forever loved and missed.
