

POEM FOR MILES

If roses grow in heaven Lord
Please pick a bunch for me
Place them in my sons arms
And tell him they're from me
Tell him that I love him and miss him
And when he turns to smile
Place a kiss upon his cheek
And hold him for a while
Because remembering him is easy
I do it every day
But there is an ache within my heart
That will never go away
Love you Miles
Your Dad ❤️

I love you more than all the words in all the books and all the world! My son has been here!

Love Mom

Miles Zxavier Anderson was born in Boston on September 11th 2015 to loving parents Meagan Anderson and Curtis Finkley. Miles was daring, bold and eager to learn everything! He was athletic and loved to run and play. He loved playing the Minecraft computer game and especially enjoyed reading to his sister on his own. He was an adventure seeker and was able to create adventure wherever he was. Miles was generous and loving and had a special way with people. He seemed to always know when others needed support or comfort. He possessed moral character that was developed beyond his years. He was protective of those he loved and could be honest even when it seemed not to be in his best interest. Miles often said, when he grows up, he wanted to work to help people. He was meant to be a hero.

Miles is survived by his parents Meagan and Curtis. His siblings, Emia and Emmanuel Anderson, Ashley, Curtis J., Gianna, Kyle and Elaina Finkley; grandparents Ollie Anderson Best and Ricky Best. Great-grandparents Jace Best and Harriett Best-Jefferies.
