# Ellen Williams

Ellen Williams was born to the late Charlie Williams and Elnora Williams on February 12, 1961. She was one of twelve children.

Ellen accepted Christ at an early age.

She was a friend to many and was a loving sister and aunt. She loved children despite her not having any of her own. Ellen was known as the life of the party wherever she'd go and never met a stranger.

Ellen spent over 30+ years on a dear relationship with the love of her life, Doyle Berry.

She received her wings on March 9, 2022. She was preceded in death by her father: Charlie Williams; and five siblings: John Wesley Williams, Jimmy Morris, Levi Williams, Pearl Williams and Joann Williams.

She leaves to cherish her precious memories; the love of her life: Doyle Berry; loving mother: Elnora Williams; siblings: Floyd Williams, Robert (Latonia) Williams, John Williams, Herman (Dorothy) Williams, Leroy (Erica) Williams and Jerry Williams; special nieces and nephews that she loved as her own: Samantha (Eric) Reed, Joann Williams, Roderick Williams, Lekisha (Ricky) Hogan, Sade Williams, Polly Williams, Michael (Mikaela) Thomas, Herman Williams, John Womack, Herman Steele, Charles Womack, Tremayne Thomas and Charlie Williams; and a host of cousins and friends.

## To My Aunt Ellen

I close my eyes as I wipe a tear.  
I just keep wishing you were still here.  
I will hold all the memories  
deep in my heart.  
Through these memories we'll never part.  
I close my eyes as I wipe a tear.  
I just keep wishing this  
pain would disappear.  
I didn't get the chance to  
say my last goodbye.  
I just didn't think you could ever die.  
I close my eyes as I wipe a tear.  
All of your love I will always hold near.  
In my heart and my mind I  
will never be alone.  
When my time comes...  
I will meet you in heaven!  
**WE LOVE AND MISS YOU!**

## I'm Free

Don't grieve for me, for now I'm free;  
I'm following the path  
God has laid you see.  
I took His hand when I heard him call;  
I turned my back and left it all.  
I could not stay another day;  
To laugh, to love, to work, to play.  
Tasks left undone must stay that way;  
I found that peace at the close of day.  
If my parting has left a void;  
Then fill it with remembered joy.  
A friendship shared, a laugh, a kiss;  
Oh yes, these things I too will miss.  
Be not burdened with times of sorrow;  
I wish you the sunshine of tomorrow.  
My life's been full, I savored much;  
Good friends, good times,  
a loved one's touch.  
Perhaps my time seemed all too brief;  
Don't lengthen it now with undue grief.  
Lift up your hearts and peace to thee;  
God wanted me now; He set me free.  
**Love Doyle aka Biscuit**
