

In Loving Memory

Mike and Gloria chose to share the song "For Good" on their "mission of light" to China to convey the lasting impact of love and friendship. Though they couldn't share religious music directly, they hoped this song would help others feel Christ-like love through their connection. The lyrics express how relationships can change us for the better, and their goal was for people to feel the spirit so that at a future time they would feel it again and have a desire to connect with the Savior so that He could change them "For Good".

FOR GOOD from Wicked

I've heard it said that people come into our lives for a reason.
Bringing something we must learn, and we are led to those
who help us most to grow If we let them, and we help them in return.
Well I don't know if I believe that's true, but I know I'm who I am today because
I knew you.

Like a comet pulled from orbit as it passes a sun.
Like a stream that meets a boulder halfway through the wood.
Who can say if I've been changed for the better?
Because I knew you, I have been changed for good.

It well may be that we may never meet again in this lifetime.
So let me say before we part, so much of me is made of what I learn from you.
You'll be with me like a handprint on my heart.
And now whatever way our stories end, I know you have rewritten mine
by being my friend.

Like a ship blown from its mooring by a wind of the sea.
Like a seed dropped by a sky bird in a distant wood.
Who can say if I've been changed for the better?
But because I knew you.
Because I knew you.
I have been changed for good.
