

Footprints

One night I dreamed I was walking along the beach with the Lord. Many scenes from my life flashed across the sky. In each scene I noticed footprints in the sand. Sometimes there were two sets of footprints, other times there were one set of footprints. This bothered me because I noticed that during the low periods of my life, when I was suffering from anguish, sorrow or defeat, I could see only one set of footprints. So I said to the Lord, "You promised me Lord, that if I followed you, you would walk with me always. But I have noticed that during the most trying periods of my life there have only been one set of footprints in the sand. Why, when I needed you most, you have not been there for me?" The Lord replied, "The times when you have seen only one set of footprints, is when I carried you."

Betty truly loved life and made the most of every adventure that came her way.

She was rarely without a smile, always had a wink to share, and seemed to light up each room she walked into. She was truly one of the classiest ladies you'll ever meet, carrying herself with grace, kindness, and quiet confidence while making everyone around her feel welcome. Betty faced life's challenges head on with strength, grace, and faith in God. Betty's faith was an important part of her life, and she not only shared Christ's love but was a living testament to His works to those around her. She lived a full and colorful life rooted in that faith, family, friendship, refusing to act her age, and a heart that never stopped caring for others. Her adventurous spirit never faded. She leaves behind a lifetime of cherished memories and a little bit of her spark in everyone fortunate enough to know and love her.
