

## *Amber Dawn Neyhart*

Amber Dawn Neyhart, 43, of Sturgis, SD, passed away Thursday, January 15, 2026, at Monument Health in Rapid City, SD.

Amber was born on October 28, 1982, and lived in the northern Black Hills her entire adult life. Amber achieved a Bachelor of Science degree, while working at several local businesses in the northern Black Hills area. She worked at Sturgis Hospital, Sturgis Medical Center, with Dr. Jenter, Northern Hills Training Center, and bartended in many local casinos, and taverns, making friends wherever she went.

Amber enjoyed the outdoors, loved camping and being with friends. She loved to host birthdays, celebrations, barbecues, and picnics, at the Whitewood City Park. Amber was well known for her love of laughter, and a good sarcastic joke with her many friends. Her love and loyalty were endless for her grandparents, Joan and Roger Packard, and Max Neyhart. Nothing was more important than being a loving parent to her daughter Seren, and son, Lathen.

Amber was a sweet soul whose memory will be filled in each sunflower blowing in the breeze. Left to miss her in this world, are her children, Seren and Lathan; mother, Shari; brother, James Bond; uncle, Tim Neyhart (Sandy); cousins, Kimberly Smith (Collin), Katherine Beaird (Aaron); ex-husband, Eli Bueno, and many other family and friends who will cherish her memory.

A GoFundMe account has been established, and an account at First Interstate Bank under Amber Neyhart Memorial.

Condolences may be left for the family at [www.kinkadefunerals.com](http://www.kinkadefunerals.com).

*The family invites you to join them for fellowship and refreshments at Hale Hall in Whitewood, following the service. Thank you for your presence and condolences.*

I'm sorry that I had to leave you,  
I hate watching you miss me and cry,  
But please don't spend too much time being sad,  
And don't spend too much time questioning why.  
My death showed you that tomorrow isn't promised,  
So live and enjoy life whilst you can,  
And when you feel sad thinking I'm not with you,  
Please don't ever doubt that I am.  
I'm with you in all your big moments,  
I've seen everything that you have done,  
I'm so proud of everything you have achieved,  
And so proud of who you've become.  
Don't worry about all the things you didn't say,  
Don't feel guilty whenever you feel happy,  
I promise you I'm okay now,  
So don't feel guilty for living life without me.  
I'd hate to think my death destroyed you,  
I want you to be brave and carry on,  
Although I'm not physically with you,  
The love we shared could never be gone.  
So don't worry about what we didn't get to do,  
Because you can do so much with your time,  
And always remember when you think of me,  
That love can never ever die.
