The Mender Of Broken Things

Have the threads of faith in your life grown thin?
Are they twisted by times of doubt?
Is God silent although you've prayed and prayed
And feel there is no way out?
Sometimes God's silent while working his plan,
But He's there and hears all your prayers.
So do not give up....God is in control.
You matter to him and he cares.
He sees all the threads, so tangled and worn,
And he knows each trial your life brings
Just turn every fragment over to him....
He's the mender of broken things.
In his love, rest and trust in his ways,
He'll work all for good, you will see.
The more that you trust, your faith will grow strong.
So trust as you wait patiently.
God's time is right--not early or late.
Each flaw in your life he'll refine,
And one day from your tangled threads he will make
A beautiful, brand-new design.

I know how much you Love me
As much as I Love you
And each time that you think of me
I know you’ll miss me to
But when tomorrow starts without me
Please try to understand
An Angel came and called my name
And took me by the hand
It seemed my place was ready
In Heaven far above,
And that I’d have to leave behind
All the One’s I dearly Loved
