

In Loving Memory

Death Is Nothing At All!

*I have only slipped away into the next room.
I am I and you are you, whatever we were to each other,
that we still are.*

*Call me by my old family's name.
Speak to me in the easy way, you always used.*

*Put no difference into your tone,
Wear no forced air of solemnity or sorrow.*

*Laugh as we always laughed
at the little jokes we always enjoyed together.*

Play, smile, think of me, pray for me.

Let my name be ever the household word that it always was.

*Let it be spoken without effort,
without the ghost of a shadow in it.*

Life means all that it ever meant.

It is the same as it ever was.

There is absolute unshaken continuity.

What is death but negligible accident?

Why should I be out of mind? Because I am out of sight?

*I am waiting for you for an interval,
somewhere very near, just around the corner.*

All is well, nothing is past, nothing is lost.

*And when I'm gone,
just carry on, don't mourn
Rejoice every time
you hear the sound
of my voice
Just know that
I'm lookin' down on you smilin'
And I didn't feel a thing,
so, baby, don't feel no pain,
just smile back*
