

Burning Flame

The burning flame of a candle that once was lit. Has been blown out
when God called your name.

Things will never be the same. But through all your teaching about life
you taught us that we can handle and do anything. You believe in our
dreams.

Warm glow that once shined so bright came to an end one dreadful
night. It broke our heart to lose you. You will surely be missed. Your
beautiful smile, tight embrace, soft kisses on our face.

Now you're up in heaven. High in the sky. Looking down below. You
left us precious memories. Your love is still our guide. And even
though we cannot see you. You will always be right by our side.

Love you always
