God Looked

God looked around His garden
And found an empty place.
He then looked down upon the Earth
and saw your tired face.
He put his arms around you
and lifted you to rest.
God's garden must be beautiful
he always takes the best.
He saw the road was getting rough,
And the hills were hard to climb,
So He closed your weary eyelids,
and whispered "Peace be thine."
broke our hearts to lose you
but you didn't go alone,
For part of us went with you the day
God called you home!

A Much Loved Grandma

The day that God called your name , It broke my heart in two
But Heaven needed an Angel , And the one he picked was you
I just wish he could have waited , And let you stay with me
But you have left memories in my heart , And that's where they'll always be
I just wish I could rewind the clock , Or make it turn real slow
I could have hugged you one more time , Before you had to go
No matter how much time will pass , I'll miss you everyday
Keep shining bright in Heaven , So you can light my way

She is Not Gone

Ease your grief, she is not gone, For in your heart, she lingers on.
Her smile, her laugh, her special way, Will comfort you, from day to day.
You'll feel her presence in the breeze, That dances gently, through the trees.
And it's her face that you shall see, When you're in need of company.
At any time, you can recall, The love you shared. you saved it all.
And in time, more than anything, You'll find peace in remembering.
