

I'M SMILING AT YOU

I've spread my wings and flown away,
But in your hearts I'll always stay.
You've shed tears, you've cried for me;
Look up to heaven and you will see
That I'm happy, I'm smiling at you.
The loving memories will see you through,
For I am with you each and every day.
I'm there with you in the morning,
And when you kneel to pray.
So my family and friends, we're not really apart,
When you see me, look into your hearts.

And when great souls die,
after a period peace blooms,
slowly and always
irregularly...

Our senses, restored, never
to be the same, whisper to us.
They existed. They existed.
We can be. Be and be better.
For they existed.

An Excerpt from *When Great Trees Fall*
– Maya Angelou –

For you, I'd give a lifetime of stability
Anything you want of me
Nothing is impossible
For you, there are no words or ways
to show my love...
