I'm Free

*Don't grieve for me, for now I'm Free,
I'm following the path God laid for me.*

I turned my back and left it all.

I could not stay another day to laugh,

To love, to work or play.

Tasks left undone must stay that way.

I found that peace at close of day.

If my parting has left a void,

Then fill it with remembered joy.

A friendship shared, a laugh, a kiss,

Ah yes, these things I too will miss.

Be not burdened with times of sorrow

I wish you the sunshine of tomorrow.

My life's been full I've savored much.

Good friends, good times, a loved ones touch.

Perhaps my time seemed all too brief.

Don't lengthen it now with grief.

Lift up your hearts and share with me.

God wanted me now,

He set me free.
