Obituary

From the beginning he brought joy, laughter, and love into the lives of everyone who knew him, he was a wonderful son, a wonderful brother, and a wonderful friend.

DeAndre passed away at the tender age of 27 leaving behind a family and friends who loved him beyond words. Although his time on earth was too far short his love, laughter, and gentle spirit will forever remain in the hearts of those who knew him.

DeAndre was a loving, gentle, playful, and funny young man whose smile could brighten any room. He had a knack for making people laugh with his famous stale jokes always finding to bring joy to family and friends, his kind heart, caring nature, and infectious sense of humor made him someone everyone loved being around.

One of DeAndre greatest passion was football, he proudly played football for the Barstow High School football team and also competed in track and field, where he demonstrated dedication, teamwork, and determination. His love for the game never faded. He was a devoted fan of the San Francisco 49ers and proudly cheered on his favorite college team USC. Whether he was on the field or watching from the sidelines football was more than a game-it was a passion that brought him excitement and connections with those around him Above all DeAndre treasured the time he spent with his family and friends. He had a special gift for making others feel loved and accepted, and the memories he created will continue to bring comfort and smiles to those who were blessed to know him.

He leaves behind father, George Castion the 3rd; his mother Felicia Hampton; his grandparents George castion and Sally Castion; his siblings George Castion the 4th, Saundara Castion, Genyatae Castion, Nizire Castion, Zyefer Castion; his niece Bella Castion; his aunties La Ronda Banks, Antoinette Hampton, and Carolyn Rugley; and host of cousins and friends who will forever carry his memory in their hearts.

Though our hearts are heavy with grief, we are grateful for every moment we shared with DeAndre, his love, laughter, and light will remain with us always
