

“And I will wake up tomorrow,
and life will be new.
The Kingdom has come,
and forever its rule over us will bring peace.
It won't be long.
Friends and loved ones
we're welcoming back.
Pain and sorrow is all in the past.
Yes, I know Jehovah's will will be done in all the earth.
It won't be long.”

Revelation 21:4

“And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

Isaiah 35:5+6

“At that time the eyes of the blind will be opened, And the ears of the deaf will be unstopped. At that time the lame will leap like the deer, And the tongue of the speechless will shout for joy.”

Acknowledgements

Perhaps you made a comforting call or sat quietly in a chair; perhaps you sent a card or dish of food; if so, we saw it there; perhaps you spoke the kindest words, any friend could say; or perhaps you were not there at all, but thought of us that day. Whatever you did to console our hearts, we thank you so very much. Please continue to remember us in your prayers.

The family would also like to extend a special thank you to Kenneth L. Lockett & GMR who lovingly cared for Robert for over 20 years after the passing of Mama Ruth. We would also like to thank Robert Long, Jr. who worked with him for years at Franks Adult Center.

Obituary

Robert Lee Lockett was born on December 26, 1964, in Cincinnati, Ohio, at Cincinnati General Hospital to Eddie Lee Lockett, Sr. and Ruth Lois Lockett, who both preceded him in death. Robert leaves to cherish his memory, three brothers: Kenneth L. (Theresa) Lockett, Wyman L. Lockett, Eddie L. (Yvonne) Lockett, Jr., three sisters: Pamela E. Hitchcock, Sharon D. Lockett, Cynthia A. Lockett, and a host of nieces and nephews, as well as great nieces and nephews.

Robert graduated from Robert W. Franks Adult Center. He also attended Frederick Dyer and Margaret B. Rost Schools, where he learned some sign language so that the family could understand what he wanted since he was nonverbal.

In 1974, Robert participated in and graduated from a special swimming program for the handicapped at Camp Stepping Stones through the American National Red Cross.

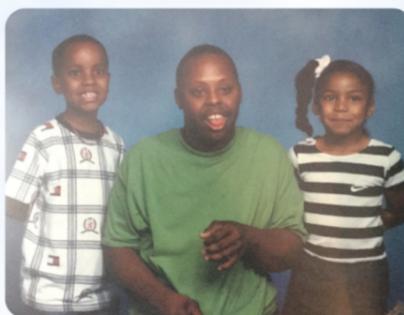

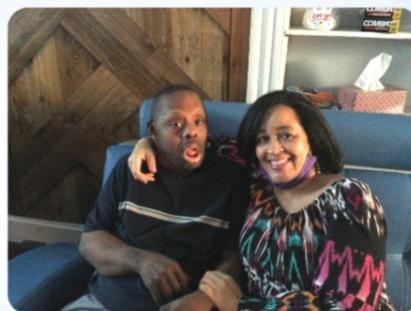

Robert was fun-loving and enjoyed being on the go. He would grab his coat and shoes to let you know that he was ready to go, regardless of the season or time of day. He loved to be with family and interact with the kids. If a child passed him, he would grab them in his arms and rock them while grinning.

Robert loved to eat. If you had food, he would grab some of your food before you could even blink... then he would laugh about it.

Robert also loved music, especially when it was upbeat. He would grin really big as he danced to the music.

During the last few years of his life, he was cared for by the staff of GMR. He was really fond of Chino, Fred, Anna, as well as a few others.

Robert lived 61 years, much longer than the doctors had expected him to. For those 61 years, we all enjoyed every minute of having him in our lives.
