

*Our lives go on without you
But nothing is the same
We have to hide our heartache
When someone speaks your name*

*Sad are the hearts that love you
Silent are the tears that fall
Living here without you
is the hardest part of all*

*You did so many things for us
Your heart was kind and true
And when we needed someone
We could always count on you*

*The special years will not return
When we are all together
But with the love in our hearts
You walk with us forever*

In Loving Memory
