MEMORIES

In Our Hearts

We thought of you today
But that is nothing new
We thought about you
yesterday
and days before that too.
We think of you in silence
We often speak your name
Now all we have are memories
And your picture in a frame
Your memory is keepsake
With which we'll never part
God has you in his keeping
We have you in our hearts
Your loving sons,
Navariann and Marlon

If Roses Grow In Heaven

If roses grow in Heaven
Lord please pick a bunch for me
Place them in my sister's arms
and tell her they from me
Tell her that we love her and miss her
and when she turns to smile,
place a kiss upon her cheek
and hold her for awhile.
Because remembering her is easy
We do it everyday
but there's an ache within our heart
That will never go away
Love your sisters,
Daisy and Faye

Mother, I Miss You

My dear mother, you left too soon, leaving behind a heartache that makes us swoon
Your absence leaves a void that cannot be filled and a pain that will never be stilled
I remember the way you use to smile, it could light up the darkest of miles
I remember the way you use to care, It was something that we could always share
You were always there for me no matter what, Your love and kindness I will never forget
You taught me how to be strong and brave and how to face the challenges life gave
I miss you more than words can say and I think of you every single day
But I know you are watching from above and sending us all your eternal love
So I'll try to live my life as you want, and hold on to the memories that we have wrought
Your legacy will live on in the hearts of those whose lives you touched and whose love you chose.
Rest in peace my dear mother till we meet again, in a place where there is no pain and no end
You'll always be a part of me that I know of, and your love will forever continue to grow.

Your loving daughter, Latonia
