## *Remembered*

I don't know why it happened  
No reason could suffice  
But those who've served their purpose  
Are called to paradise

To us it seems so senseless  
Bud God, He had a plan  
We'll never understand it  
For that's the curse of man

It's faith we must hold on to  
That's how our spirits grow  
And even though we miss her  
we've got to let her go

She'll always be here with us  
no matter where we roam  
So cherished and remembered  
Within our hearts, she's home

She'd want us to be happy  
To live and laugh, and love  
She knows we won't forget her  
She's watching from above

Proudly we shall speak her name  
And sweetly reminisce  
Share the stories of her life  
Then send her up a kiss...
