

## I AM FREE

Don't grieve for me, for now I'm free,  
I'm following paths God made for me  
I took his hand I heard him call  
Then turned, and bid farewell to all

I could not stay another day  
To laugh, to love, to sing, to play  
Tasks left undone must stay that way  
I found my peace... at close of Day

And if my parting left a void  
Then fill it with remembered joy  
A friendship shared, a laugh, a kiss  
Ah yes, these things I too will miss.

Be not burdened... deep with sorrow  
I wish you sunshine of tomorrow  
My life's been full I've savoured much  
Good friends, good times  
A loved one's touch

Perhaps my time seemed all too brief Don't  
lengthen it now with grief Lift up your  
hearts and share with me,  
God wants me now... He set me free.
