

## **Remember Me**

Remember me when I am gone away,  
 Gone far away into the silent land;  
 When you can no more hold me by the hand,  
 Nor I half turn to go yet turning stay.  
 Remember me when no more day by day  
 You tell me of our future that you planned:  
 Only remember me; you understand  
 It will be late to counsel then or pray.  
 Yet if you should forget me for a while  
 And afterwards remember, do not grieve:  
 For if the darkness and corruption leave  
 A vestige of the thoughts that once I had,  
 Better by far you should forget and smile  
 Than that you should remember and be sad.
