*My Bestfriend, My Bestfriend  
My Bestfriend*

*As I sit here and process this  
I laugh and I cry we have so  
many memories. You have  
loved me even when I didn't  
love myself, You have lifted  
me when I couldn't stand on  
my own two feet. Having  
you as a Bestfriend was so  
amazing, We talked about  
so much. We always talked  
about what we wanted to do  
and be in life but we never  
talked about how we would  
live without each other.*

*Love your BFF,*

our long conversations, You  
making me laugh. You  
have always been there  
For me, Thick or Thin. I'm  
going to miss you so much.

You were my best friend and my mother too.  
A true companion yea that was you.

I would give anything to have you back.

But I know from up there you are watching over me,  
Ill make you proud Mom i will fulfill your wish.  
And that's a daughters promise.**

### **A note to my Mommy!!**

**I replay the moments of your final hours on this earth with me  
filled with anger and sorrow because here is where I want you to be  
then I realize that's me thinking selfishly. you were my first love.  
my very first friend in my mind you were invincible so why is this the  
end! No more good mornings or late call at night no more of me  
hearing your voice And that doesn't sit right. I would give anything  
to hear you cuss me out our bond was full of love & one of a kind no  
doubt.. The time I was able to spend with you just know you did your  
part, the open book you were with knowledge, compassion  
and love will always leave a mark on my heart!!**

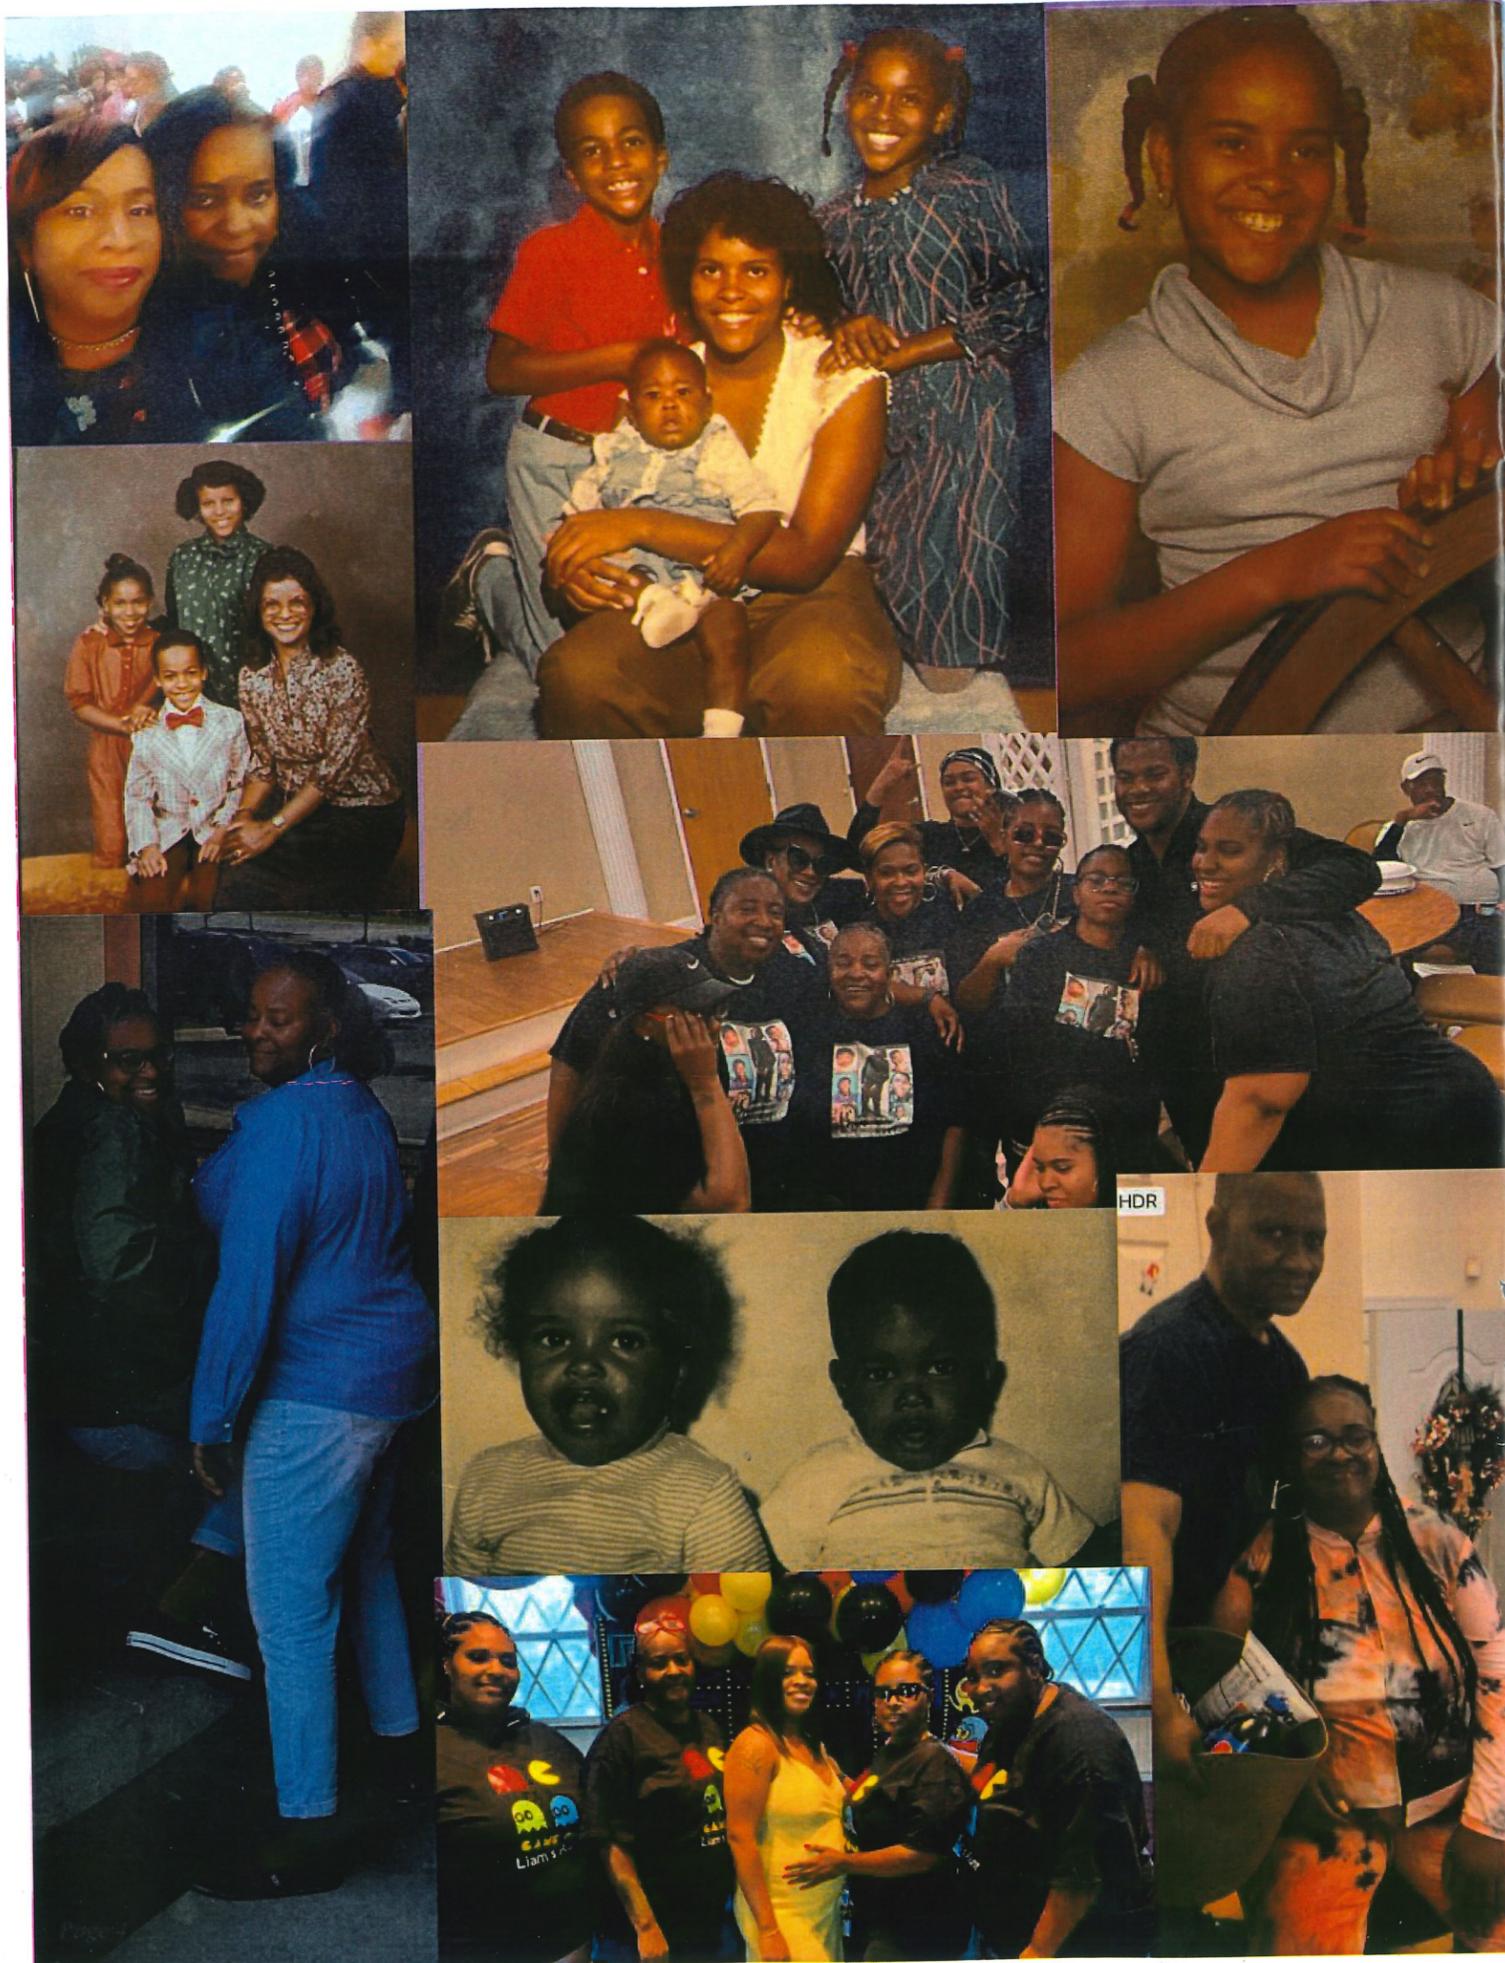

**Love Carmen**

### **To My Mother**

**I wanna start off by saying I love you with every breath in  
my body. I wish I could have made your life a little Better  
and made you wanna live a little longer. I wish I could  
have took all your sadness and pain away. I wish I could  
hug and kiss you on your cheek one last time. I wish you  
were still here with me I just wish I had a restart button to  
hit, Cause you would have lived forever. I wish I could tell  
you how much I Love you & how much you meant to me. I  
just wish my love was enough.**

**Love your Baby Girl**

**Sister & Bestfriend**  
**The moment I realized,**  
**my sister just died.**  
**My hands cradled my face,**

**Why did this happen,**  
**and how could this be,**  
**She had so much to live for,**  
**we could all clearly see.**  
**My heart simply dropped,**  
**and I felt a sharp pain,**  
**My tears fell instantly,**  
**Like a severe August rain,**  
**I was truly lucky,**  
**to have a sister like her,**  
**Countless others,**  
**nod and concur.**  
**I will miss our talks,**  
**and her comforting voice.**  
**And those random**  
**moments,**  
**where we'd mutually**  
**rejoice. Rest in peace,**  
**Sister and bestfriend,**  
**My deepest love,**  
**to the sky I shall send.**

*Big sister, Part time mother,  
 Friend and confidant.  
 I have so many memories of you  
 from this beautiful thing called life.  
 I cant even think of my favorite one,  
 Every time we was together you made it fun,  
 I cant even think about you not being here  
 without breaking down in tears.  
 I keep asking my self why you?  
 But that's a selfish thing to say,  
 At least now the pain is gone so for you  
 I'm going to be strong.  
 I love you Lynette*

*Love Sean*

## AFTERGLOW

ID LIKE THE MEMORY OF ME TO BE A HAPPY ONE.

I'D LIKE TO LEAVE AN AFTERGLOW

OF SMILES WHEN MY LIFE IS DONE.

ID LIKE TO LEAVE A ECHO WHISPERING

SOFTLY DOWN THE WAYS,

OF HAPPY TIMES AND LAUGHING TIMES

AND BRIGHT AND SUNNY DAYS.

I'D LIKE THE TEARS OF THOSE WHO

GRIEVE TO DRY BEFORE THE SUN

OF HAPPY MEMORIES THAT I

LEAVE WHEN LIFE IS DONE.
