It is clear that death is not the end, but a beginning of life forevermore.

On June 16, 2006, in Jackson, Mississippi, Octaria Inez Ollie and Kenneth Lewis became the proud parents of a beautiful baby girl and they named her Kentaria Abbie Caprinicia Lewis. She was showered with much love from her parents and grandparents. As much as she was loved by her earthly relatives, God's love for her was much greater, so He lifted her from this earth to her heavenly home to be with Him on February 28, 2026.

Spiritually, Kentaria professed her belief and faith in Christ at Union Hill M.B Church in Flora, MS under the leadership of Pastor Roosevelt Barrett and was baptized there on January 12, 2014 in the name of the Father and of the Son and of the Holy Spirit. She continued her fellowship at Union Hill under the leadership of Pastor Robert Kelly. She served in praise dancing and the choir at Union Hill.

Lively, Kentaria spent her formative years in Flora and Gluckstadt living with her mom and maternal grandparents. Like her mother, Octaria - Kentaria was very fashionable and loved to sport stylish hair styles.

Educationally, Kentaria attended Mansdale elementary and Germantown Middle in Madison County. In 2025, she received her high school diploma from Germantown High School. At Germantown, she was a standout JROTC Cadet for four years, which she loved and had a passion for. After graduating from H.S., she enrolled in Northwest Community College in Sentobia, MS: there she majored in Medical Office Technology. Her dream was to have a career in the medical field. Her dream was abruptly interrupted by her untimely vehicle accident that would transition her to be with her heavenly Father at the twinkle of a moment.

Affectionately, Kentaria was known by many as "Kapoo," a nickname that her uncle Carlton started calling her. "Kappo" was one of God's special children - born in this world with special gifts and talents. Her grandmother, Bobbie inspired her to embrace her unique gifts by starting a small business named "KSK Creations" where she, her cousin Shuncey and sister Kamy (KSK) would decorate for various events.

Passionately, "Kapoo" was quiet and had the gift of caring for people. Being the oldest child, she nurtured and assisted with the care of her four younger siblings. With that compassion, there was no surprise that while at Northwest she landed a part time job at First Basis Home Health Care as a Personal Care Assistant, where she interactive with and cared for an elderly patient that became very fond of her and voiced that he wanted only her to be his caregiver.

Naturally, Kentaria "Kapoo" had a humble, quiet spirit that drew others into her world. She was an angel among us. Her love for her grandparents was special and unconditional. Her love for her mother, sister and three brothers was so bonding like an unbreakable chain. Now one link has been taken out of that chain physically, but in spirit "Kapoo's" link will always be there.

Transitionally, Kentaria's heavenly Father saw fit as she traveled from Northwest College to pull her from her earthly home to be with Him in her new heavenly home. We say "gone too soon," but God said "it was time," and Kentaria "Kapoo" Abbie Caprinicia Lewis is happier now than she has ever been.

Kentaria leaves to cherish her lasting memories: her loving mother, Octaria Inez Ollie and father Kenneth Lewis, whom she loved both dearly; sister, Kamy; three brothers, Aaron, Aaden and Levi; devoted maternal grandparents Bobbie (Gregory) Smith; paternal grandfather, Carl Wilkerson; paternal grandparents, Brenda Banks (Gerald) Roberts; paternal great grandmother Pauline Wilkerson; special uncles, Shuntoryand Carlton Ollie; and a host of aunts, uncles, cousins, other relatives and friends.

"We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord."

II Corinthians 5:8 KJV
