

WE SAT BESIDE HER BEDSIDE

We sat beside her bedside
Our hearts were crushed and sore;
We did our duty to the end,
'Til we could do no more.

In tears we watched her sinking,
We watched her fade away,
And though our hearts were breaking
We knew you could not stay.

She left behind some aching hearts,
The loved you most sincere.
We never shall and never will
Forget one so dear.

For many years the family chain
Was closely linked together,
But oh! that chain is broken now,
The main link gone forever.
