Our prayers have all been answered  
I've finally arrived  
The healing that had been delayed has now been realized  
No one's in a hurry  
There's no schedule to keep  
We're all enjoying Jesus just sitting at his feet  
If you could see me now  
I'm walking streets of gold  
If you could see me now  
I'm standing tall and whole  
If you could see me now  
You'd know I'd see His face  
If you could see me now  
You'd know the pain's erased  
You wouldn't want me to ever leave this place.  
If you could only see me now  
My light and temporary trials have worked out for my good  
To know it brought Him glory when I misunderstood.  
Though we've had our sorrows they can never compare  
What Jesus has in store for us no language can share  
If you could see me now  
I'm walking streets of gold
