Look at us, after all these years together
Look at us, after all that we've been through
Look at us, still leaning on each other
If you wanna see how true love should be
Then just look at us

Look at you, still pretty as a picture
Look at me, still crazy over you
Look at us, still believing in forever
If you wanna see how true love should be
Then just look at us

In a hundred years from now
I know without a doubt
They'll all look back and wonder how
We made it all work out

Chances are we'll go down in history
When they wanna see
How true love should be
They'll just look at us

When they wanna see
How true love should be
They'll just look at us
