

Cooper was born a month early at Avera Hospital on January 25th, 2026, to parents Daisja and Jordan Christensen, joining brother Corbin. Despite the small time with Cooper, he loved to smile, kick, tell stories, and had the best singing voice. He was loved so dearly with the little time God blessed us with him.

Cooper will always be remembered and loved by his parents, Daisja and Jordan, brother Corbin, his 6 Great Grandparents, 5 Grandparents, 4 Aunts, 5 Uncles, and 6 Cousins.

On April 29th, 2026, sweet baby Cooper gained his wings and flew to heaven, where we imagine him still smiling, kicking, and singing—just as he did here with us. He will forever be held in the hearts of those who love him.

These are my footprints, so perfect and so small.
These tiny footprints never touched the ground at all.
Not one tiny footprint, for now I have wings.
These tiny footprints were meant for other things.
You will hear my tiny footprints, in the patter of the rain.
Gentle drops like angel's tears, of joy and not from pain.
You will see my tiny footprints, in each butterfly's lazy dance.
I'll let you know I'm with you, if you just give me the chance.
You will see my tiny footprints, in the rustle of the leaves.
I will whisper names into the wind, and call each one that grieves.
Most of all, these tiny footprints, are found on Mommy and Daddy's hearts.
Cause even though I'm gone now, we'll never truly part.
