

Timona Kioko Kasue, "TK", passed away at the age of 31 on May 30, 2025. TK was born on February 8, 1994, in Provo, Utah. He was the firstborn child of Benson and Rochelle Kasue.

In 2012, he graduated from Robert E. Lee High School in Tyler, Texas. He dedicated his life to family, traveling, good food, building friendships, and perfecting the art of aggressive skating and videography.

Timona was preceded in death by his beloved grandparents on both sides, his father's siblings, Julius and Miriam, and his great-grandfather, Dunk Wright.

He is survived by his parents, Rochelle and Benson, and his brother, Elias Kasue. Others left to remember him include his great-grandmother, Dorothy Wright, her remaining nine children and their spouses, and their posterity; his grandfather, Ben Baunchand; his aunt, Kay Baunchand, and her three sons, Tyler (Maria), Dexter, and Brennon. Additionally, his father's remaining siblings, Thomas, Beatrice, Charles, Nickson, Mary, and Joseph and children (cousins) will deeply miss him.

Timona used skating with friends as therapy, and he embraced the speed, relished the rush, and loved the ride.
