### *Trust In Him Alone*

*It's not for us to question  
Why God takes us so young.  
He made the heavens and the earth  
The moon, the stars, the sun.  
We cannot grasp the majesty  
Of His almighty powers,  
That's why we have to use our faith  
in these heartbreaking hours.  
He did not come to take them  
Just to have something to do.  
The job that He assigned them to  
Is done and now they're through.  
So put your faith in Him alone,  
And you will surely know,  
That when He calls for us to come  
We must obey and go.  
So don't be sad and sorrowful  
For one day you'll go home,  
And you will join your loved ones  
Gathered around God's throne.*
