My Mother My World

My mother left me with a ache in my heart, and all feel is pain
 Each day I try to understand why, but yet it still remain.
 I wish I could rewind the clock and have known now what I know
 I could of hugged you one more time before you had to go.
 I wish that I could see you one more time, walking through the door
 But I know that's it's impossible I'll hear your voice no more.
 Your tragic end came swift and fast, and I wish that I was there,
 To hold your hand and comfort you, it's just to much to bear.
 I pray that god will give me strength, and somehow, somehow get me through
 As I struggle with this heart ache that came when I lost you!!

OBITUARY

Kathy Denise Young was born on August 20, 1961 in City Hospital in Baltimore MD, to Helen Young and Howard Young Sr she suddenly departed this life, after a long battle with cancer on August 01, 2022. She was born and raised in the Lafayette projects, where she was loved by many including her first love Kenny, who later on blessed her with the love of her life, her son Kenneth Johnson. She loved him with every cell and her body and would move mountains for him, he was the light of her life, the joy to her world and the happiness that made her smile.

At this point in her life she knew that to be a good mother to her beloved son, she had to do what was needed to be just that. Kathy attended Harbor City learning center where she received her Diploma, and later on attended BCCC where she studied business and data entry. Her first was working at the Mayor's Office. She later on went to work at total Healthcare working as a data entry clerk. This was not enough, so she went on to work at the Johns Hopkins hospital as an Insurance medical biller and coder and this is where she remained until she became suddenly ill.

Kathy loved to travel with two of her closest friends, Carey and Tracey. She loved shopping and hanging out on Saturdays. Often spending time with her mom and sisters and her companion, her sister Candy. She loved dancing to oldies but goodies. She just loved life and all the people in hers. One thing Kathy was destined and determined to do was buy her a home and she accomplished it in 2002 alongside her husband Gary Dickens. "May he rest in peace."

The second-best thing she did outside of her son was giving her life to her lord and savior Jesus Christ. She joined New Hope Ministries in 2016 and became a very active and faithful member and worshipper of the church. She served on the new hope fundraiser team and played an intricate role in the Women of Virtue Women's Ministry. She loved her church, but most of all she loved and adored her pastor Reverend Tiffany Boyd and they absolutely adored her smile and sweet spirit.

She was preceded in death by; her husband Gary Dickens, Father Howard Young Sr, sister Brenda Young, nephews Bobby Norman, Jerrell Brice and Keith Mickles.

She leaves to mourn; her one and only child Kenneth Johnson Jr, mother Helen Young, Aunts; Katherine and Woo, grandchildren Khloe Johnson and Khari Johnson, daughter in law Nyerere Rogers, sister in laws; Freida, Priscilla, Elma and Theresa, brother in laws, Jonathan and Eddie, Sisters ; Candy, Ruby Deborah, brothers; Howard, Bobby and Jerry Young, close cousins Katherine and Glenda, Nieces; Tonya Stacey, Quiana, Keisha, Shaneena, Tiera, Ebony, Monet, Kim, London, Harley, Divine, Jyietra, Jamiya, Zoe, and Corey, Nephews; Antonio, Jamie, Josh, Walter, Byron, Conte, Jason, AJ, Lil Howard, Desmond, Dazelle, D'aire; best friends; Carey Love, Jerrie Dickerson, Debbie Egelston and Tracy Taylor; and a host of great nieces, nephews, and special friends.

{WE WILL MISS YOU KATHY}

My Sister My Best-Friend

It's been a week or so that I had to let you go...
 I'd love to have you back with me, you know I loved you so...
 The memories live now in my heart, and they're something I'll treasure...
 And they are things I'll hold dear, always and forever...
 They're something that I'll hold dear, although at times I'll be sad...
 While other days a smile will come of that I will be glad...
 And so my sister these words I say are my tribute to you...
 I'll see you yet again my friend our journey will renew...
 We'll stand together on heavens bride your hand clasped in my hand...
 And then again we'll be as one as we cross into that land...
 (Rest in Peace my sister my bestfriend my deepest love I shall send...
 Love Candy...)

TO MY AUNT KATHY
 I close my eyes as I wipe a tear.
 I just keep wishing you were still here.
 I will hold all the memories deep in my heart.
 Through these memories we'll never part.
 I close my eyes as I wipe a tear.
 I just keep wishing this pain would disappear.
 I didn't get the chance to say my last goodbye.
 I just didn't think you could ever die.
 I close my eyes as I wipe a tear.
 All of your love I will always hold near.
 In my heart and my mind I will never be alone.
 When my time comes...
 I will meet you in heaven!
 I LOVE AND MISS YOU!
 QUIANA ❤️❤️

My Special Friend

A friend as special as you is hard to come by, you were always so loyal and true,
 And now that you're gone, my days feel so empty and I'm uncertain what to do.
 God placed you in my life and there you stayed until the day he called you home,
 Now that you're gone I miss you so much, I feel so very alone...
 I wish I could of told you before you left, all that you've done at your best, with a heart as sweet as yours,
 It will be hard to imagine a life without you in it as I try to move forward...
 For all the times that you spent showing me just how much you care,
 There will never be words to express how I feel, thanks for always being there...
 So understand my friend you fought a good fight, but now it is time to rest,
 I bet God is happy that you are there because now he has one of the best...
 (YOU WILL FOREVER BE MY FRIEND) Carey xoxo

PSALM 30:5

*A LETTER FROM HEAVEN
 I'm writing this from Heaven
 Where I dwell with God above
 Where there's no more
 tears and sadness
 There's just eternal love.*

REPAST

Private Repast to follow

*When you are walking down the street
 And you've got me on your mind
 I'm walking in your footsteps
 Only half a step behind.*

*And when you feel that gentle breeze
 Or the wind upon your face
 That's me giving you
 A great big hug
 Or just a soft embrace.*

*And when it's time for you to go
 From that body to be free
 Remember you're not going
 You are coming here to me.*
