TRIBUTES

Missing You

We don't know why you had to go,
but we know that we will miss you so.

With your happy smile, and your sense of fun,
we can't take it in, that you are gone.

You brought joy to every life you touched,
and you are missed, so very much.

But a beautiful soul lives on forever and memories
of you we will always treasure

Now your spirit, has been set free, to be with your God, for eternity.
Enfolded in love, as you soar on high but for a while, we must say goodbye.
So, rest in peace, free from all pain, till we meet in heaven, united again.

Love Your Nieces

In Loving Memory of My Brother

The moment that you left me; my heart was split in two.
One side was filled with memories, the other died with you.

I often lay awake at night, when the world is fast asleep.
And take a walk down memory lane with tears upon my cheek.

Remembering you is easy, I do it every day.

But missing you is a heartache, that never goes away.
I hold you tightly within my heart, and there you shall remain.
Life has gone on without you, but it can never, ever, be the same.

Love Your Siblings

Letting Go

The angels gathered near your side, so very close to you.
For they knew the pain and suffering that you were going through
I thought about so many things as I held tightly to your hand
Oh, how I wished that you were strong and happy once again.
But your eyes were looking homeward to that place beyond the sky
Where Jesus held His outstretched arms, it was time to say goodbye
I struggled with my selfish thoughts for I wanted you to stay
So, we could walk and talk again like we did.... just yesterday
But Jesus knew the answer and I knew you loved him so
I gave to you, life's greatest gift the gift of letting go.
