Celebrate My Life

Remember me with love and joy,

Let gratitude fill your heart/

Thankful for the times we had,

Gone... yet not apart.

If we measured life in moments,

Not in months or years,

I lived a thousand lifetimes,

Loved by all who hold me dear.

I hope you'll find your smile,

And generously speak my name.

Share stories and my heart,

Your love for life unchanged.

Celebrate the life I lived,

I will be watching from above,

I am always with you,

Sending you my light and love.
