## TRIBUTES

*To My Little Brother*

*My heart has been left broken since the day you had to go,  
And memories I treasure dearly are in tears that still flow.  
You're in my thoughts every day and that's how it will always be,  
For you maybe up in heaven now, but you'll always be with me.  
If only I could have the chance to see your face once more,  
Or just hear your voice one final time just like it was before.  
The day that heaven calls for me will be a relief from all this pain,  
I'll run to you with open arms, and we will meet again.*

**Love Shanda**

*We think about you always,  
we talk about you still –  
You have never been forgotten,  
and you never will.*

*We hold you close within our hearts,  
and there you will remain –  
To walk and guide us through our lives,  
until we meet again.*

**Love your Aunt and Uncle**

*Your life was a blessing,  
Your memory a treasure  
You're loved beyond words,  
And going to be missed beyond measure.*

**Love your Family**
