

**IN TEARS WE SAW
YOU SINKING**

In tears we saw you sinking
And watched you fade away,
Our hearts were surely broken
We wanted you to stay.
But when we saw you sleeping
So peacefully, free of pain,
How could we wish you back with us
To suffer that again.

Sorrowfully submitted,
The Family

Acknowledgement

*The cards you sent along the way
The flowers you sent that day
The service you stopped by to render
The song you sang with voice so tender
The prayers you said which played a part
In easing the pain that was in our hearts
Each helped us to find the strength
To bear the loss of one we held so dear.
It was to us a great comfort indeed to see you
In our time of sorrow and need
So, from our hearts which you tried to help mend
We thank you sincerely again and again
For being such wonderful friends.*

God Bless You, The Family
