

2 Timothy 4:7-8 (NIV)

*"I have fought the good fight,
I have finished the race,
I have kept the faith.
Now there is in store for me
the crown of righteousness,
which the Lord,
the righteous judge,
will award to me on that day—
and not only to me,
but also to all
who have longed for his appearing."*

Obituary

It is with heavy hearts and deep love that we announce the passing of Lascells Alexander Robinson, who peacefully left us on February 22, 2025, at Holmes Regional Medical Center in Melbourne, Florida, at the age of 78. Born on September 26, 1946, in St. Ann's **Parish**, Jamaica, to George and Agnes Robinson, Lascells was a proud son of Jamaica who spent much of his life creating a legacy of love, independence, and strength for his family.

In 1968, Lascells made the bold decision to leave his homeland in pursuit of new opportunities, settling in New York City. A self-reliant and fiercely independent man, he embraced the challenges and rewards of building a new life in America. He worked tirelessly to provide for his family, including his children, Claudia Robinson-Lewin, Janice Russell (Robinson), Erica Robinson, and Melissa Rooney (Robinson). His remarkable 33-year career with the Metro North Railroad as an Electrical Engineer was a testament to his dedication, skill, and work ethic. Before arriving in the U.S., Lascells worked with the Jamaica Ministry of Education, where his commitment to progress and learning was already evident.

He was a fiercely private person, but those who knew Lascells understood his deep affection for his family and friends. He loved nothing more than enjoying a good time with the people he cared about. Whether it was sharing stories or indulging in his passion for music, Lascells' spirit was magnetic. He had an eclectic love for all types of music, from his cherished reggae tunes to his admiration for Elton John's. His extensive vinyl collection of albums reflected his diverse musical tastes, and his home was often filled with melodies that spoke to his soul.

Lascells also had a keen eye for photography. A self-taught photographer, he filled his life with cameras, lenses, and the technical knowledge he meticulously recorded in

handwritten notes. He was rarely without his camera, capturing beautiful moments at family gatherings and preserving memories of those he loved. His home was adorned with framed photos of family and friends, each one a lasting testament to his love for the people closest to him.

An avid fan of James Bond films, Lascells was known for his ability to name every 007 actor and trivia related to the legendary spy. His love for these films became a small but treasured part of his personality, reflecting his appreciation for the finer things in life.

Lascells was also a devoted fan of live horse racing, often a regular at the Aqueduct Racetrack. When he couldn't make it to the track, Off-Track Betting (OTB) provided an enjoyable alternative for him. He enjoyed the thrill of the race and the camaraderie it brought with friends and fellow enthusiasts.

Lascells was preceded in death by siblings Phillis Howard (Robinson), and Olive Wolfries (Robinson). Lascells is survived by his loving children: Claudia, Janice, Erica, and Melissa, and his cherished grandchildren: Omar Robinson, Shawn Trotman, Ethan and Ava Russell, and Maya Rooney. To further mourn his loss will be his trusted confidant Joyce Burey and surviving siblings Orline, Doreen Dixon (Robinson), Hyacinth, Clement/Yvonne, Lloyd/Erlinda, Dwight/Dione as well as numerous nephews, nieces, cousins, and friends who will forever remember him for his wisdom, humor, and unwavering love.

Lascells Alexander Robinson's legacy will live on in the hearts of his family and friends, who will cherish the memories he created and the love he shared. Rest in peace, Lascells — you will be deeply missed but never forgotten.
